

Preventive Maintenance - For the Owner/Operator

What "preventative maintenance" the pilot is allowed to do.

Directions: From Bay City, take FM 457, to Carney, turn left on FM 2540, go about 1/4 mile, airport is on the left. Coming South on State Highway 35, turn to the left in Van Vleck, on to FM 2540, go about 3 1/2 miles, airport will be on the right.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
