

## Techniques for Effective Short Field and Spot Landings

Harvey-Rihn Aviation in La Porte is having a St. Patrick's Day Breakfast Fly-in from 8:00am - 12:00pm. FAA Safety Seminar will be held at 11:00am and it will be followed by a flour bombing and spot landing contest at 12:00pm. This is a community event and all are welcome to fly-in or drive in. The safety seminar will discuss techniques for effective short field and spot landings, as well as aircraft performance.

**Directions:** From Houston Take I-45 South to Hwy. 225 to Pasadena/La Porte. Exit Sens Road, taking a right at the stop light onto Sens. Then you'll take a right at the next light onto Spencer Highway. Look for the sign that says "Learn to fly here" and turn right onto Airport Blvd. The road leads to Harvey & Rihn Aviation

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
