

2013 Houston Accident Review

Our seminar will consist of a review of all the accidents that occurred in the Houston region.

Several of the accidents will be discussed in greater detail so we can understand the cause and how to prevent them in the future.

Directions: American Flyers is located next to Gill Aviation (main terminal) at Hooks Airport. The seminar will be held in the American Flyers classroom. FLYING IN: Park your airplane on the Gill Aviation Ramp, and the American Flyers office is right next to Gill Aviation. DRIVING: From I-45: Exit FM2920 west until you get to Stuebner-Airline Rd. Take a left on Stuebner-Airline rd and the main terminal is the first right after the gas station. Park in the parking lot in front of Gill Aviation. The American Flyers office is right next to Gill on the left hand side from the parking lot. From 249: Exit Spring-Cypress and head east. Follow Spring-Cypress until you see Stuebner-Airline Rd and take a left. Gill Aviation is all the way at the end of the road right before 2920. Take a left into the Gill Aviation (Main Terminal) parking lot.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
