

Aviation Weather Refresher

Ever wonder if you need a refresher on aviation weather topics? Jere Gardner of the CXO tower will be presenting "Aviation Weather" for discussion Galaxy FBO conference room (immediately following the EAA monthly meeting). We hope you will bring questions for discussion, share your experiences, and join us for a great session.

Directions: Drive North on I-45 towards Conroe. Take Exit 84B (Southside of town), toward North Loop 336 and stay in right lane (go East). Continue about 7 miles on North Loop 336. Lone Star Executive Airport's South entrance is located at Hawthorne Drive on Loop 336. Turn right on Hawthorne Drive, follow the road until you reach the New Galaxy FBO. Going South on I-45 take exit 88 and follow Loop 336 to the East, to Hawthorne drive, follow road to FBO.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
Sign up for the FAA's safety services at www.FAASafety.gov!
