

What Do You Really Know About Density Altitude?

An in depth discussion of density altitude, what it really is and how its affects on the airplane itself and how it affects airplane performance.

Directions: Driving, from the east take I-10 to the west, get off at Exit-Barker Cypress. Turn North, at the fourth light take Groeschke Road to the right, at the flag turn to the left. We will be in the terminal upstairs.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
