

SGR FAASTeam presents:

# Flying Vikings at Anson Aviation

Flying Vikings' mission is to assist and help improve the lives of children in our community. This program boosts children's attitudes and gives them a positive outlook on life through a 15-20 minute plane ride.

The program is designed to immerse children ages 6 to 18 years old with a chronic illness or physical disability into flying. Children will be given the opportunity to briefly take the controls of the plane and experience flight.

Volunteer pilots make this possible. If you are interested in volunteering your time and aircraft, please contact Jay Robinson at [jay@ansonair.com](mailto:jay@ansonair.com).

The event is open to anyone who wants to volunteer in any capacity.

**Directions:** Located at Sugar Land Regional Airport (KSGR), Anson Aviation. Turn off Hwy 6 S. onto Terminal Ln, turn first left onto Jim Davidson Rd. and drive to first parking area on the right in the General Aviation Area.

**A message from the National FAASafety Team Manager**

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
