

**ANSON AVIATION
SUGAR LAND REGIONAL AIRPORT**

Flying Vikings – Saturday April 30, 2016 @ 9 a.m.

Flying Vikings is an organization that takes chronically ill and disabled children on short flights. It's a great experiences for the children and for the pilot!

We are looking for volunteer pilots to help with this event. Any current pilot with at least 500 hours total time may fly. There is no need to own an aircraft, renters are welcome!

**If you are interested in participating, please contact
