

ADS-B - Get Ready for 2020!

John Hollingshead, Commercial Pilot, CFII, MEI with High Performance Aviation, will present an informative seminar on ADS-B mandate which is less than four years away. Many pilots don't fully understand what ADS-B is, what ADS-B will do for them, or what ADS-B will cost for their aircraft. Join us for this seminar to help prepare you for the 2020 mandate.

Directions: Anson Aviation is located South of the Sugar Land Regional Airport main Terminal Building.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
