

New FAA Compliance Philosophy

We will be discussing the new FAA Compliance Philosophy - What it is, why it was adopted and how it is administered. We will also cover the Remedial Training Program and how the FAASTeam interacts with airmen or organizations as a mitigating "fix" to a regulatory deviation.

Directions: West Houston Airport Terminal Building, Upstairs.

Driving, from the east take I-10 to the west, get off at Exit-Barker Cypress. Turn North, at the fourth light take Groeschke Road to the right, at the flag turn to the left. We will be in the terminal upstairs.
