

TSA General Aviation Threat Briefing

This briefing will provide a summary of recent terrorist plots, threats, and attacks on civil aviation in the homeland and internationally. It will examine some of the terrorist groups targeting civil aviation and the tradecraft they may employ against aviation sector. The presentation will also discuss potential vulnerabilities that these extremists would like to exploit and define some potential security measures which can help to mitigate the threat.

Directions: Anson Aviation is located south of the Sugar Land Regional Airport main Terminal Building.
