

Aviation Trivia Night

Back by popular demand, Aviation Trivia Night will give pilots an opportunity to challenge themselves on a variety of aviation topics, including VFR and IFR procedures, airspace, weather, rules and regulations, aviation history, and more. This will be a great refresher for new or experienced pilots. Presented by Brandon Ray, owner of High Performance Aviation, LLC.

Directions: Anson Aviation is located south of the Sugar Land Regional Airport main Terminal Building.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
