

Plan Execute and Debrief

Formation pilots use the same routine military pilots use to plan, execute and debrief missions. This seminar will give an overview of formation flying, review the plan, execute and debrief routine, cover a case history of how this routine was applied and discuss applications for use in General Aviation flights and training.

Directions: Second Floor of the Main Terminal Building at West Houston Airport.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
