

Operation Rain Check - Houston Hobby ATCT

The Houston Hobby ATCT brings back an Operation Rain Check event. Attend a unique briefing about ATC operations at Hobby (HOU) Airport and ask questions to FAA management and controllers. Observe real time Air Traffic operations in Hobby and take a brief tour of the air traffic control tower. Attendees **MUST HAVE** at least a private pilot certificate and be a U.S. Citizen.

Directions: The Hobby Control Tower Address is: 8410 Lockheed Ave, Houston, TX 77061
Each person attending will be approved ahead of time. The security guards will have your name and check your identification against the approved names on the roster.

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
