

CFI/DPE Forum

In this forum we will examine the airline approach to checklist usage, flight planning, fuel planning, and how those can translate to the GA environment. We will also discuss checkride prep, and any other topics you wish to discuss.

Directions: From I-45 north of Conroe take 3083 exit to the east to airport road, turn left and then turn right at the first light into CXO airport entrance. At the first stop sign turn right, next stop sign turn left. At end of military road gray building on the left.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
