

Operation Rain Check - Houston TRACON

Houston TRACON brings back an Operation Rain Check event. Attend a unique briefing about ATC operations in the Houston area and ask questions to FAA management and controllers. Observe real time Air Traffic operations in Houston and take a brief tour of one of the busiest approach control facilities in the United States. Attendees **MUST HAVE** at least a private pilot certificate and be a U.S. Citizen.

Directions: The TRACON address is:
4005 Greens Rd, Houston, TX 77032
Each person attending will be approved ahead of time. The gate security guards will have your name and check your identification against the approved names on the roster.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
Sign up for the FAA's safety services at www.FAASafety.gov

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
