

Houston FAAS Team presents:

The Jeffrey Weiss Tragedy - Re-enactment Story

This presentation is by Shelly Lesikar DeZevallos Ed.D., President of West Houston Airport, and Woody Lesikar, West Houston Airport manager. They will present the series of events leading to the fatal accident of N501CE that occurred on April 22, 2019 near the Kerrville Municipal Airport. This case study will include a comprehensive assessment of the circumstances and conditions that caused the heartrending loss of six lives. Join us for an interactive presentation that you will not soon forget. Watch the re-enactment of the flight, listen to friends of Jeffrey Weiss, and see videos that are now available to the public as you delve into what caused this tragic accident.

Directions: West Houston Airport is located North of I10 between Hwy 6 and Barker Cypress Road
