

Emergencies - Keeping Cool in the Cockpit

Mark Baugh is a professional aviator and instructor. He has flown in many types of environments including airlines and corporate. In his 37 years of flying, including 34 years of flight instruction, he has experienced hair-raising in-flight events and emergencies during his career and will be candidly talking about the steps every pilot should take when something doesn't go quite as planned. This is approximately a 1.5 hour presentation.

Prior to attending a safety seminar, please review and abide by current CDC, State, and local health guidelines.

Directions: Anson Aviation is located south of the Sugar Land Regional Airport Main Terminal Building. The meeting is in the Anson Aviation conference room.
