

7 Practical Steps to Keep Learning

They say a good pilot is always learning. This is true; however, how do we continue to learn after the check ride is over and we are no longer accumulating ratings?

Mark Facer, CFI/CFII/AGI/IGI; Instructor at U.S. Flight Club, will discuss 7 practical and fun ways to keep learning as we work to become better, safer pilots.

This is approximately a 1.5 hour program.

Anson Aviation is located south of Sugar Land Regional Airport Main Terminal Building. The meeting is in the Anson Aviation conference room.
