

Training the Pilots of Tomorrow

Russell Peck, Assistant Chief Instructor at Anson Aviation, will discuss how aviation training has evolved over the decades. Are we heading in the right direction? What challenges do tomorrow's pilots face, and what events have shaped our journey to the present day?

This event will cover 1.5 hours of important aviation safety topics.

[Anson Aviation](#) is located south of [Sugar Land Regional Airport](#) Main Terminal Building. The meeting will be held in the Anson Aviation conference room.
