

## What Is MOSAIC And Why Should We Care?

MOSAIC is the most comprehensive reform to Sport Pilot operations since the certificate's creation in 2004. Numerous restrictions have been removed and new privileges added to reflect current aircraft technology, as well as new Light Sport Aircraft rules and certification. There have been changes in the Light Sport Maintenance and Repairman rules, and changes in Part 91 operations.

Pat Brown, FAA Gold Seal Flight Instructor, Designated Pilot Examiner, AOPAScholarship Mentor, will present the key aspects of MOSAIC in this program.

This is approximately a 1.5 hour program.
