

Notams and Planning for FIFA World Cup Special Event

Airport staff will outline anticipated operational impacts on SGR during the FIFA event, including increased traffic, delays, and temporary operational changes. They will explain Prior Permission Required (PPR) access procedures, tenant expectations, security considerations and the need for advance planning and coordination during this busy period.

[Anson Aviation](#) is located south of [Sugar Land Regional Airport](#) Main Terminal Building. The meeting will be held in the Anson Aviation conference room.

This event delivers 1.5 hours of aviation safety topics.
