

# What we have learned from fatal GA accident research that goes beyond NTSB findings

## Event Details

This audience-interactive presentation will discuss fatal general aviation accidents extending beyond the NTSB findings. Two topics will be addressed with exemplars for each: (1) equipment failure and (2) energy management in the landing phase.

[Anson Aviation](#) is located south of the [Sugar Land Regional Airport](#) Main Terminal Building. The meeting will be held in the Anson Aviation conference room.

This event delivers 1.5 hours of aviation safety topics.
