

Weather or Not to Fly

This presentation by Jeff Arnold, Director of Innovation & Outreach, Future Flight Services Program Homeland Sector, Aviation for Leidos Flight Service, covers accident prevention, Flight Service myths and best practices, self-briefing techniques, weather decision-making, and strategies for transitioning to self-briefing. Participants will receive a website walkthrough and learn how to effectively leverage Flight Service resources to improve flight safety and efficiency.

This event delivers 1.5 hours of aviation safety topics.

[Anson Aviation](#) is located south of the [Sugar Land Regional Airport](#) Main Terminal Building. The meeting will be held in the Anson Aviation conference room.
