FAASTeam presents:

I Flew to a Land Down Under

This presentation will briefly touch on Ross Edmondson's refurbishment and upgrade of his 1981 C182R following his 2019-2023 flight around the world, before concentrating on the tale of his 2024-2025 relocation flight of the aircraft from the USA to Australia via the Atlantic, Europe, the Middle East and Asia. Ross will discuss the planning, preparation and execution of the flight, including tips and tricks picked up along the way.

Anson Aviation is located south of the Sugar Land Regional Airport Main Terminal Building. The meeting will be held in the Anson Aviation conference room.

This event delivers 1.5 hours of aviation safety topics.
