

FAASTeam presents:

# 'Beyond the Pre-Flight', Seeing your aircraft through the eyes of your mechanic

"You don't know what you don't know" This interactive program is designed to give you the opportunity to walk through several critical pre-flight actions along side a team of Mechanics and Inspectors who can answer questions, give examples and share their tricks of the trade.

**Directions:** The briefing will be in one of Beaver Lake's hangars which will be determined closer to the event.

## A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
