

# Arkansas Agricultural Aviation Association Annual Convention

The Professional Aerial Applicator Support System (PAASS) will discuss airport security, human factors related to accident prevention, national accident history, drift mitigation techniques, and review of many components of 14 CFR part 137. Recertification will deal with pesticide application issues and important aspects of aerial application operations.

**Directions:** Room TBD - check in at Hotel desk for information

## A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
