

Runway Safety Seminar

The event will consist of a review of past Runway incursions plus Surface incidents as well as updates of current and future projects at the airport and their impact on Runway Safety. All attendees are encouraged to give perspective of safety at the airport and bring ideas about contributions you can make and of better ways to accomplish the end goal of Runway Safety.

Directions: Briefing will be held in the 2nd floor conference room in the airport terminal building

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
