

FAASTeam presents:

# Evening with ATC

This safety briefing and update is presented by the Razorback TRACON. It will be in the format of a panel of Air Traffic Controllers fielding questions from those in attendance. All topics related to ATC will be entertained. Questions can be presented in advance or at the time of the presentation. If you wish to submit a question, please submit it to the email address: [hendersonrusty@me.com](mailto:hendersonrusty@me.com). Please note in the subject line that this is a question for this seminar.

**Directions:** The Sebastian County Emergency Management headquarters is located on the southeast corner of Zero and Massard Street. It is the former National Guard Armory. If arriving via interstate 540, take exit # 11 off of 540. Turn east on Zero street. The second traffic light, about 3 miles east, is located at Massard Rd. and Zero St.. The building location is on the right located on the southeast corner of that intersection. If arriving via Rogers Avenue turn south on Massard Rd and travel 1.8 miles south to the Traffic light at Massard and Zero street. The building is located on the southeast corner of that intersection.

### **A message from the National FAASafety Team Manager**

Invite a fellow pilot to the next WINGS Safety Seminar in your area.  
Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
