

## What is That Yellow Airplane Doing ?

Provide general aviation pilots with some knowledge of the operating procedures of agriculture aircraft operating on or near general aviation airports and in doing such providing for a safer airport environment.

**Directions:** Traveling on US Highway 67 North approximately 3 miles North of Walnut Ridge, turn East on Airport 980. Follow the signs to the Wings of Honor Museum. The museum is located directly across the parking lot from the Walnut Ridge Airport terminal.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
