

Civil Air Patrol Flight Clinic

In this program we will discuss the possible tragic results of the unprepared pilot flying into IMC and we will help make Airspace simple to understand by explaining the A,B,C, D, E and G of knowing where you are.

Directions: When driving to PBF turn right (south) when arriving terminal building from Airport Rd. Civil Air Patrol Building is last Building on South End of Airport. There is parking along side of drive next to hangar. Flying to PBF. Park at terminal building and walk through south hangar to CAP building. It will be marked.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
