

Annual FAASTeam Representative Training

FAASTeam Representatives are required to attend annual training at least once a year. This is third and final offering for 2015.

In addition to the annual recurrent training topics and SPANS construction training, we also have a Homeland Security brief by FBI Agent Vince Bossi, Arkansas Dept of Aeronautics brief by Director Jerry Chism and a UAS / Drone brief by FAA Inspector Mike Minnix. See attachment for agenda.

Directions: Once you turn into the facility, our building will be at the far end, straight ahead. We will have signs posted at the entrance and on the building.
