

LIT-FSDO presents:

Western Arkansas FAAS Team Safety Seminar

Charlie Bell, local CFI-I and 30 plus years' experience training will present a seminar that highlights the wonderful resources that can be found with your CFI, how to maximize your flight review and the importance of a stabilized approach.

JD Williams, CFI-I, 30 years flying experience private, military and American Airline, Presents Risk Management from the professional pilot's view.

Directions: If arriving Fort Smith via I540, take exit 11. Turn east on Ar255 and proceed east 3 miles. This should take you to a stoplight at the corner of Massard Rd. and Zero St. Your destination is ahead and on your right. The old Army National Guard Armory.

If arriving via Rogers Ave. (AR 22), proceed to Massard road where it intersects Rogers near Walmart Super Center. Proceed south on Massard road to the second stop light. This is the intersection of Massard Rd. and Zero St. Your destination is ahead and on your left. It is the old Army National Guard Armory.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
