

FAASTeam presents:

Loss of Control

Many loss of control accidents (LOC) are fatal. These accidents happen in both VMC, IMC, and during day and night. We will explore some factors that can lead to loss of control and will provide some steps that can be taken to help avoid LOC.

Directions: At the FBO, brick building by the flagpole

Event Details

Mon, Apr 11, 2016 - 19:30 CDT
