

Walnut Ridge Airport Safety Day

Homeland security concerns involving local area and US Air Force/AR Air National Guard operations in and around the local area. This will be a very positive experience for local pilots concerning airport security and local operations which might include a mix of civilian and military aircraft in nontowered airport areas.

Directions: Traveling on US Highway 67 North approximately 3 miles North of Walnut Ridge, turn East on Airport 980. Follow the signs to the Wings of Honor Museum. The museum is located directly across the parking lot from the Walnut Ridge Airport terminal.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
