

## Flight Instructor and DPE Forum

In this forum we will discuss the many changes for instructors and DPE's such as the new Airman Certification Standards and how they have replaced the Practical Test Standards for private and instrument. We will also discuss the process for receiving applications for student pilot certificates. The main part of the forum will be for flight instructors and DPE's to have an opportunity to discuss best practices of training pilots.

**Directions:** The meeting will be held in the conference room adjacent to the main eating area.
