

Dinner with ATC

This is the opportunity you have been waiting for! All of those questions that you want to ask while on frequency with a controller, but, there is not time to ask. We will have local controllers (including the Manager of LIT ATC) at the seminar. This seminar will also cover the local runway safety meeting that is held annually at towered airports. Don't miss this great opportunity to visit with your local ATC.

Directions: The address may not be in the GPS database. In case it is not in the database, please use Expressway Airport Parking address at 4405 E. Roosevelt Rd, Little Rock, AR 72206. David Grundfest Jr Drive is to the North and West of Expressway Airport Parking. Travel North on David Grundfest Jr Dr approximately 0.3 mile and Fly Arkansas will be on the West side of the street (to the left you will see a Shell sign).

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
