

## What The Weather Briefing Did Not Tell Me

Joe Lawrence is a Naval Trained Meteorologist, with a degree in Meteorology. Additionally, he is a Part 135 Chief Pilot and holds an ATP - CFII Helicopter, with a Commercial - Instrument - CFI Airplane. He will present how weather affects aviation and where to go to find it. He will go into detail covering where to find comprehensive, user friendly aviation reports and forecasts. This will be an eye opening presentation that you don't want to miss.

**Directions:** Hwy 67 to exit 42. Turn South on Main Street. Go 1/4 mile to Bulldog Helicopters hangar on left. If you are Flying in - go to the 5th hangar South of Searcy Airport Terminal.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
