

FAASTeam presents:

FAASTeam Representative Training

FAASTeam Representative training is extremely important. During FAASTeam Representative Training topics are covered that provide training on all of the FAASTeam Representative's general activities. We will have special emphasis at this training session covering - How to identify hazards or unsafe conditions with regard to airports and the NAS and make appropriate notifications, how to effectively counsel airmen using a variety of methods, including one-on-one meetings and large educational events, and how to serve as a liaison between the FAASTeam and other organizations. There will also be presentations on airworthiness topics, human factors and professionalism.

The Little Rock FSDO Manager, Karen Gattis, will be in attendance. This will be a great opportunity to come meet and visit with her.

Directions: From US HWY 270 - turn onto Mountain Harbor Road - continue approximately 2 mi - then turn right onto Hickory Ridge Road for about .2 mi - continue to Clubhouse Road and make a left on Clubhouse Road to the end of the road to the East Cove Building Conference.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
