

## Cookout and Safety Seminar

Loss of Control continues to be one of the leading causes of accidents. Steve Foster, DPE (helicopter and airplane) will be making a presentation on loss of control as it relates to helicopters and airplanes. To learn more about loss of control and why recurrent training is critical, go

to: [https://www.nts.gov/safety/mwl/Pages/mwl7\\_2015.aspx](https://www.nts.gov/safety/mwl/Pages/mwl7_2015.aspx)

Jamie Black, FPM Airworthiness, will cover torque vs tension and how metal fatigue failure causes crashes.

Join us for this great training session to help prevent aviation accidents. Click the link below to register.

**Directions:** The meeting will be held at the main terminal building (FBO).

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
