

FAASTeam presents:

Weather or Not

Green - Blue - Red - Purple, yes, that is how some people decide about the weather. Just because the weather shows green - can you really go? Should you go? Is it legal to go? Weather briefing options have changed drastically over the years. Are you keeping up with the options? Join the FAASTeam as we discuss weather, weather briefing options, and the best practices on how to make that go/no go decision. Click the link below to register.

Directions: Top the Mains Cafe and Grill is in the same location as the former Flight Deck Restaurant. The meeting will be held in the main restaurant area as you enter the building.
