

FAA Safety Team presents:

# **WINGS Flight Topic of the Quarter**

Continued Pilot Proficiency is as important for the fair weather flyer as it is for the most seasoned pilot. At this informative webinar, we will discuss the new WINGS Flight Topic of the Quarter (TOQ) and how you can easily create your personal recurrent flight proficiency program. All are welcome and encouraged to attend. Take an active role in improving safety in flight training! Click on the link below and register TODAY!

**Directions:** Please register for WINGS Flight Topic of the Quarter on Apr 16, 2019 1:00 PM EDT at:  
<https://attendee.gotowebinar.com/register/7761140715876999939>

After registering, you will receive a confirmation email containing information about joining the webinar. There is a limited number of registrations. If the registration is full and you are unable to register, this session will be recorded and can be viewed as early as a day following the live webinar. Simply use the same link above to view the recorded session. Contact [heather.metzler@faa.gov](mailto:heather.metzler@faa.gov) if you have any problems or questions.

#### **A message from the National FAASafety Team Manager**

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
