

MEI-DPE Cross Talk

For all MEI's and prospective MEI's. Sit down with DPE Nicholas Adcock and discuss current trends and training issues with a focus on multi-engine training. He'll cover recent practical test deficiencies and listen to any other multi-engine training concerns.

Directions: For those driving you can park in front of the FBO. The conference room is located in the right after entering the FBO. If you're flying in, the FBO is on the east side of the main parking apron.
