

Operation Skyhook

The annual Skyhook Fly-In begins Thursday evening with a safety seminar focused on preventing controlled flight into terrain (CFIT). The session will cover practical tips, decision-making strategies, and best practices for both instrument-rated (IFR) and visual flight rules (VFR) pilots. Attendees will review real-world scenarios and techniques designed to improve situational awareness and reduce CFIT risk in all phases of flight.

Terminal Building at Grider Field. Airport is located 3 miles south of the City of Pine Bluff along HWY 65 S.
