

'The Aging Aviator and Staying Proficient'

Dr. Bob Worthington will discuss major risk factors including aging and/or a lack of practice. Which is the greater risk? What do insurance companies look at when determining rates?

There will be a hamburger luncheon following the presentation.

Directions: The terminal building is on the east side of the airport.

A message from the National FAASTeam Manager

Over 136,600 pilots earned WINGS credits last year. Will you, this year?
