

Don't Stick Your Leg in a Bag of Snakes

Not many accidents occur as a result of continued VFR flight into IFR conditions, but when they do occur, they are fatal 80% of the time. This presentation discusses tips and techniques to avoid this. You will also be given opportunity to sign up for a flight in the TSTC Flight Training Device to be done on Saturday.

Directions: The TSTC Maintenance Training Hangar is located on the West side of the Abilene Regional Airport
