

## You are the Airspace Beneath My Wings

One of the major sources of pilot violations stems from airspace issues. This event will review the U.S. airspace system and cover some tips and techniques to operate safely and legally in it.

**Directions:** In Midland, exit Loop 250 South on Garfield St, Go 1/2 mile south until you see the main entrance sign for Midland College on your left Turn left into the entrance until you come to the perimeter road. Take a left on the perimeter road for a short distance to the first right and turn right into the parking lot. Go across the parking lot to the Helen L. Greathouse Children's Center. You will see signs directing you to the lecture hall from there.

### A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
