

Teaching Emergencies and Conducting an IPC

We will discuss methods and precautions for teaching emergency/abnormal procedures to students. We will also discuss the reason for and some tips for conducting a thorough Instrument Proficiency Check (IPC)

Directions: Exit South off Loop 289 onto Slide Road. Take the first right onto 68th Street. Take a right onto Aberdeen St. (just across from Hobby Lobby) Go to the second glass building on the left. Enter the West door and follow the signs.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
