

Teaching and Surviving Stalls/Spins

This program will provide information and opportunity to discuss techniques for teaching stalls and spins. We will also have time to discuss local areas of concern relating to flight training.

Directions: Exit South off Loop 289 onto Slide Road. Take the first right onto 68th Street. Take a right onto Aberdeen St. (just across from Hobby Lobby). Go to the second glass building on the left. Enter the West door and follow the signs.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
