

## 2nd Annual Kickapoo Scavenger Hunt & Safety Seminar

This seminar will include a Flying Scavenger Hunt. The seminar will focus on one of navigations basic principles (pilotage) and one of the leading flight accident causes (loss of control). Attendees need not fly, but that is part of the fun. Participants will be provided an envelope before take-off containing clues about the turn points of their route. At each turn point, they will perform a specific task. Complete information for this event can be found at:

<http://check6.wikispaces.com/Scavenger+Hunt>

**Directions:** Fly or drive to Kickapoo Downtown Airport (CWC), see: <http://www.airnav.com/airport/KCWC> Hangar #4 (the Cobra Kai Flight Academy hangar) - For those who drive, park in the FBO public parking area. - For those who fly, park on the FBO ramp. A picture of the airplane parking area can be found at: <http://check6.wikispaces.com/Scavenger+Hunt>

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
