

Lubbock SW-13 FAASTeam presents:

2016 Lubbock IA seminar. 0800-1630

IA seminar will fulfill the annual training requirements for renewal.

Discussions on Turbine and piston engine maintenance, regulatory compliance, import/export requirements, and human factors training. We will also have a question and answer period for local high emphasis items.

AMT credit will be given for this course.

There will be another seminar in Altus, OK on March 19, 2016.

Directions: Directions from northbound I-27:

Take off ramp at Exit 8. Stay on service road to Youngstown street, take a right, then left on N Cedar Avenue. Take second right onto E. Edinboro Street. The event will be held in the second hangar on the right. (Hangar 6)

Direction from southbound I-27:

Take off ramp at Exit 9. Turn left under the overpass (N. Cedar Ave) Crossover the service road and take the first right (stay on N. Cedar Ave) Turn left on E. Edinboro Street. The event will be held in the second hangar on the right. (Hangar 6)

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
